Has not been started for over a year, very busy with newborn kid!

It clicks when you try to start it , but won't turn over!

Registered currently till 2021, has original Black Plates too!

Originally from San Diego, But has been in SB since 2002!

New Carburetor in 2018! Has original Stock Hub caps!

Interior in a 7 out of 10. Exterior also 7 out of 10!

Odometer reads 29 299

The hood is wrapped in plastic starting to peel off see photos.

Might be an easy fix, need space for a trampoline!

Going to show it on Thursday, text me with questions and I will send time and address back to you.
